RE: Authorization to Apply for Grant

Authorization is hereby requested to apply for funding through the South Dakota Solid Waste Grant program for partial funding of a yard waste compost turner. The anticipated cost of the turner is \$350,000. After trade-in the net cost would be \$310,000. The State grant application would request the allowable 50% of the net cost; \$155,000. The current budget allows \$175,000.
