LAND SURVEYING AND ENGINEERING

Arleth and Associates
25 Kirk Road
Deadwood, SD 57732
605-578-1637

To Whom It May Concern:

The C1/4 of Section 23, T2N, R7E, B.H.M., was set 29 feet to far to the south by the previous surveyor. This made the East West 1/4 line of Section 23 and the East West 1/16 line of the North East 1/4 of Section 23, to far to the South. The new plat of Rainbow Ridge Subdivision corrects this problem.
