To Whom It May Concern:

I am asking that the City of Rapid City approve a variance to the requirement to install sidewalks along Carriage Hills Drive and Elysian Court. As you know, there are no sidewalks adjacent to that portion of Carriage Hills Drive that abuts my property and, as we extend that street into my development, I am proposing that we not build any sidewalks at this time as well. I previously signed a waiver of right to protest any future assessment for the sidewalk as part of my earlier application and agree to sign a similar waiver as part of this application as well. Thank you.

Harley Taylor

A handwritten signature in black ink, appearing to read "Harley Taylor", written in a cursive style. The signature is positioned below the typed name.
