Subject: Eletronic bill Board

Epic Media has requested a Planned Light Industrial Development on the north side of Omaha at Third Street for the purpose of erecting an electronic billboard. The Rapid City Panning Commission voted unanimously to reject their request. The matter now goes before the Rapid City Common Council on Monday night October 15. Please contact any or all of the Council members listed in the "to" field and encourage them to vote against this latest attempt to clutter our beautiful Green-way. (Or easily "reply to all" and state your feelings.)

Stacey J. Nelson

Dear Council Members,

Please reject this request for an additional electronic billboard on the north side of Omaha and Third Street or in any location. Rapid City is filled with beautiful colors, hills, skys, and landscapes. The last thing we need is another billboard to clutter our city and take away from the view.

Regards,
Stacey J. Nelson

Subject: Electronic BillBoard

I am writing to ask you to follow the recommendations of the Planning Commission and reject the application for an electronic billboard on Omaha at Third Street. Rapid City does NOT need any more billboards. If anything, we need far less.

Subject: Integrity of the Land

Dear Council Members:

>
> Tonight's meeting will include several issues that potentially affect
> the integrity of the land and our community. With respect to the
> following issues I would encourage you to:

>
> 1) Deny the re-zoning of the 2 parcels of land in
> question in the Tower Ridge area to General
> Commerical. As you should already know, this is an
> area of Recharge for the Inyan Kara Aquifer and there
> is the same potential for contamination as in the
> Sammis Trail Site. After 2 Zoning meetings, a
> recommendation was not made and Mr. Hennies said it
> was "unfair" for the Commission to consider a zoning
> change without knowing of its intended use."

>
> This area should be independently studied regarding
> "water safety plans" and "aquifer sensitivity" before
> any further action is taken.

>
> 2) Encourage the preservation of the M Hill as it is
> also part of our historical viewshed as well as the
> Inyan Kara formation.

>
> 3) Say NO to Electronic Billboards which will clutter
> up our beautiful greenway (proposed site along Omaha
> and 3rd).

>
> Thank you for your time and I trust that your input
> and vote will show your concern for the "integrity" of
> this land and the "legacy" that we will leave to
> future generations.
