Dear Mr. Green:

Greetings from South Park Elementary! Our PTA is in the process of trying to raise money for our After School Activities. In an attempt to do so we are conducting a raffle for items that were generously donated by local businesses. Please see the attached list that will describe the prizes. The students received a book of 25 raffle tickets and the tickets sell for \$1.00 each. The drawing will be held on December 1<sup>st</sup> @ 6:30 p.m. Mrs. Helene Duhamel from KOTA Television will be our "celebrity" host for the evening and will draw the winning tickets!

We are planning on selling pizzas, popcorn, candy and soda to the families the night of the drawing to possibly earn additional money.

As the Student and Parent Activities Coordinator, I have plans for many activities this year. My dream is to have these activities available to the students at South Park without a fee. Some of those activities are:

Hot Shots Dance Camp  
Spanish Club  
Drama Club  
Family Science Night  
Creative Minds Club  
And many more .....

Martial Arts Club  
Family Movie Night  
Film Making Club  
Science Club  
First Tee Golf Program

We would also like to raise enough money to take part in the Artists in Schools program. An Author or Artist would come to South Park and share their talents with the students in the classroom. By working with teachers, parents and students, an artist will create a residency that can inspire participants to learn more, not just about art, but life itself.

Thirdly, if funds allow, we would like to purchase a video system and screens for the gym that will provide for more convenient viewing of our South Park programs.

We hope this helps answer some of your questions about how the funds will be used.

If you have any additional questions, please feel free to contact me, at 394-1833.

Thank you for your support with our Fundraiser!

GiGi Lage
