RE: Authorization for Mayor and Finance Officer to sign a waiver of right to protest a future assessment for street improvements.

Legal Description: Lots 1 thru 5, Skyline Pines East, Section 11, T1N, R7E, BHM, Rapid City, Pennington County, South Dakota

A Variance to the Subdivision Regulations to waive the requirement to install sidewalk and pavement along the south 550 feet of Fairmont Boulevard and to install curb, gutter, sidewalk, street light conduit and to reduce pavement width from 27 feet to 24 feet along Pevans Parkway as they abut the subject property has been submitted for review and approval in conjunction with a Preliminary Plat to create five lots. AGREEMENT WAIVING RIGHT TO PROTEST  
(SDCL 9-45-26; 9-47-13; 9-48-18; 9-48-42)

THIS AGREEMENT IS MADE and entered into this 13 day of December, 2006, by and for WEB REAL ESTATE HOLDINGS COMPANY, LLC, hereinafter called "Developer," and the City of Rapid City, a municipal corporation of the State of South Dakota, hereinafter called the "City."

WHEREAS the Developer has submitted a proposed subdivision plat; and

WHEREAS it is the intended purpose of the Developer to obtain final approval for this subdivision plat; and

WHEREAS the City of Rapid City's subdivision regulations require installation of curb, gutter, sidewalk, street light conduit, and pavement which in this instance would require the Developer to install sidewalk and pavement along the southern 550 feet of Fairmont Boulevard and to install curb, gutter, sidewalk, street light conduit and additional pavement along Pevans Parkway as they abut the unplatted portion of the N½SE¼, less Walpole Heights Subdivision, and less right of way, Section 11, T1N, R7E, BHM, Rapid City, Pennington County, South Dakota; and

WHEREAS it is the intent and purpose of both the Developer and the City to enter into an agreement whereby the Developer will consent to a future assessed project for the installation of sidewalk and pavement along the southern 550 feet of Fairmont Boulevard and the installation of curb, gutter, sidewalk, street light conduit and additional pavement along Pevans Parkway as they abut the above-described property, in exchange for the City not requiring immediate installation of the improvements as required by Rapid City Subdivision Regulations;

NOW, THEREFORE, in consideration of the mutual covenants and conditions contained herein, it is hereby agreed as follows:

1. This agreement pertains to, and includes those properties which are designated and identified as follows:

2. This agreement specifically references the installation of sidewalk and pavement along the southern 550 feet of Fairmont Boulevard and the installation of curb, gutter, sidewalk, street light conduit and additional pavement along Pevans Parkway as they abut the above-described property.

3. The Developer acknowledges the City has the power to make assessments for local improvements on property adjoining or benefited thereby, to collect same in the manner provided by law, and to fix, determine and collect penalties for nonpayment of any special assessments. The Developer agrees that if at any time in the future the City determines it is necessary or desirable to install sidewalk and pavement along the southern 550 feet of Fairmont Boulevard and to install curb, gutter, sidewalk, street light conduit and additional pavement along Pevans Parkway as they abut the above-described property through an assessed project, Developer or its heirs, assigns, or successors in interest, waive any right to object to such an assessed project as allowed under state law in consideration for the final approval of the subdivision plat without the immediate installation of curb, gutter, sidewalk, street light conduit, and pavement. It is understood by the Developer that the City of Rapid City's primary consideration for the granting of the approval for a subdivision plat on the herein described property and forbearance from requiring Developer to immediately install sidewalk and pavement along the southern 550 feet of Fairmont Boulevard and to install curb, gutter, sidewalk, street light conduit and additional pavement along Pevans Parkway is the Developer's covenant and promise to waive any right to object to the assessed project and its consent to the assessed project.

4. Developer further covenants and agrees for itself, its heirs, assigns, and successors in interest, that should it or any of its heirs, assigns, or successors in interest fail to abide by each and every covenant herein contained, the immediate installation of sidewalk and pavement along the southern 550 feet of Fairmont Boulevard and the installation of curb, gutter, sidewalk, street light conduit and additional pavement along Pevans Parkway as they abut the above-described property, which is required in the City subdivision regulations will be required within 90 days of the objection in order to comply with the City of Rapid City's subdivision regulations. Should the weather prevent immediate installation of these subdivision improvements, the City Council may accept a surety bond in an amount equal to the estimated cost of installation of the improvements, whereby the improvements will be made and utilities installed without cost to the City in the event of default of the Developer.

5. All of the terms and conditions herein set forth shall extend to and be binding upon the heirs, assigns, or successors in interest of the Developer, and be considered as a covenant running with the above-described property. Furthermore, it is agreed that, in accepting title to the above-described property any grantee, heir, assign, or successor in interest to the undersigned expressly agrees to be bound by the terms of this agreement recorded with the Pennington County Register of Deeds' Office pursuant to the provisions of South Dakota statutes.
