

Wellspring Plan for dumpster enclosure at the Calvary Lutheran Church property:

The dumpster will be located as depicted on the site plan designed by Ferber Engineering.

The dumpster will be enclosed in privacy fencing made of wood and designed similar to the photo above. The contractor that installs the enclosure will use locally available privacy fencing product. A full enclosure with gated extraction point will be constructed.

The enclosure will be approximately 6 feet in height, 6 feet in depth and 10' in width

on a 10' x 10' PAD, -119
