RE: Amendment to GIS Standard Products and Data Pricing List

In 2006 the GIS/LIS Task Force received a request from a private individual for GIS parcel data base information, including all parcel lines, polygons, Sidwell numbers, Parcel ID numbers, abstract codes and property addresses. The Task Force reviewed information regarding the prices charged by other communities in the region and unanimously recommended that the GIS Standard Products and Data Price List be revised as follows:

1. Establish a fee of \$2,000.00 for Pennington County tax parcels data;
2. Establish a fee of \$40.00 for updates to the tax parcel data (updates to be provided no more often than on a monthly basis); and,
3. Revise the materials fee for Customized Map Products to reflect the same costs as the Standard Products pricing as follows:

Size	Current Customized Map Products Pricing	Proposed Customized Map Products Pricing
8.5" x 11"	\$10.00	\$4.00
11" x 17"	\$12.00	\$8.00
17" x 22"	\$15.00	\$15.00
24" x 34"	\$18.00	\$20.00
34" x 44"	\$25.00	\$25.00

**Recommendation:** The GIS/LIS Task Force recommends that the GIS Standard Products and Data Price List be revised to:

1. Establish a fee of \$2,000.00 for Pennington County tax parcels data;
2. Establish a fee of \$40.00 for updates to the tax parcel data (updates to be provided no more often than on a monthly basis); and,
