

RAPID CITY POLICE DEPARTMENT
MEMORANDUM

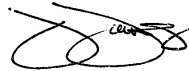

March 12, 2007

MEMO TO: Chief Tieszen
FROM: Lt. James Johns
SUBJECT: Vehicle Purchase

Attached is a purchase request for a 2007 Dodge Durango. This purchase is for a replacement supervisor vehicle in the Traffic Section. The 2007 budget was approved for \$38,000 towards this purchase. By purchasing the Durango, rather than a suburban or Tahoe, we are saving nearly \$10,000. This savings will cover costs for emergency lights not only in this car, but several other unmarked units being sent to CID, once the changeover is complete.

Of note, this purchase does include the "Hemi option package". This actually is a misnomer, because the upgrade is not only for the engine, but a move from the SXT package to the SLT package, which has a greater number of options, and increases the resale value of the vehicle at a later date. Additionally, in speaking with agencies that purchased the smaller engine package, they have found numerous problems, to include not being able to pull trailers or other equipment.

I look forward to visiting with you about this purchase.
