RECOMMENDATION: Staff recommends that the Amendment to the Adopted Comprehensive Plan to change the land use designation from General Agriculture to General Commercial with a Planned Commercial Development be continued to the April 26, 2007 Planning Commission meeting to allow the Future Land Use Committee to review the Comprehensive Plan Amendment.

GENERAL COMMENTS: This property contains approximately 10 acres and is located southeast of the intersection of Elk Vale Road and Willowbend Road. The property is currently zoned Office Commercial District with a Planned Commercial Development. Land located north of the subject property is zoned Limited Agriculture District by Pennington County. Land located south of the subject property is zoned General Commercial District with a Planned Commercial Development. Land located west of the subject property is zoned Office Commercial District with a Planned Commercial Development. Land located east of the subject property is zoned Low Density Residential II District with a Planned Residential Development. In addition to this application for an Amendment to the Comprehensive Plan to change the land use designation from General Agriculture to Office Commercial with a Planned Commercial Development, the applicant has submitted a Rezoning from Office Commercial District to General Commercial District (07RZ018). In addition, the applicant has submitted three additional Comprehensive Plan Amendments to change the Comprehensive Plan from General Agriculture to General Commercial with a Planned Commercial Development (07CA012, 07CA011, and 07CA015). Three rezoning applications also accompany the Comprehensive Plan Amendments. The applicant requests to rezone one property from General Agriculture District to General Commercial District (07RZ017), one property from General Commercial District to Office Commercial District (07RZ016), and one property from Low Density Residential II District to General Commercial District (07RZ021).

STAFF REVIEW: The adopted Comprehensive Plan is a framework within which development and rezoning proposals are measured and evaluated. The plan is intended to guide the orderly growth of the community. In order for the plans to remain viable and to keep pace with a changing market place, periodic adjustments to reflect changing conditions will be required.

The applicant has requested four Rezoning and four Comprehensive Plan Amendments for the subject property and adjacent properties. The Future Land Use Committee has
