MEMORANDUM

TO: Legal and Finance Committee

FROM: Brad Solon, Building Official

DATE: April 25, 2007

SUBJECT: 2006 International Building Code

Staff is requesting authorization to begin the process for adopting the 2006 International Building Code. The current 2003 International Building Code and other previous editions have been reviewed prior to adoption by a committee appointed by City Council. A copy of the previously appointed members is attached. Staff is requesting that the Mayor appoint a committee to be confirmed by City Council to review the 2006 International Building Code.

Also, as part of the City of Rapid City ISO Rating the new edition of the 2006 International Building Code would eventually have to be adopted in order to continue with a favorable score.

Staff Recommendation:

- 1) Request the Mayor to renew the membership of the 2003 International Building Code committee, and begin the process of adoption of the 2006 International Building Code Board, and;
- 2) Authorize Staff and the committee to begin the process of adoption of the 2006 International Building Code.
