MEMORANDUM

TO: Public Works Committee

FROM: Dirk Jablonski, Public Works Director

DATE: June 18, 2007

RE: Fulton Street Rehabilitation Costs

At the June 12, 2007, Public Works Committee meeting Pennington County Housing asked that the City of Rapid City assume control of the portion of Fulton Street that adjoins their facility. The Committee continued this item on the agenda to the next meeting pending an estimate from the Public Works Department of what the costs to bring the pavement into good condition would be.

The work would generally include milling the existing pavement and overlaying it with 2 inches of new asphalt. There would also be some sidewalk work at the alley.

Total estimated cost for this work is \$10,114.00
