MEMORANDUM

TO: Public Works Committee/City Council

FROM: Robert Ellis, City Engineer

THROUGH: Dirk Jablonski, Public Works Director

SUBJECT: Request authorization to seek engineering consultant proposals for Eglin Street extension from East North Street to DOT entrance (CIP # 50560-1470)

DATE: July 3, 2007

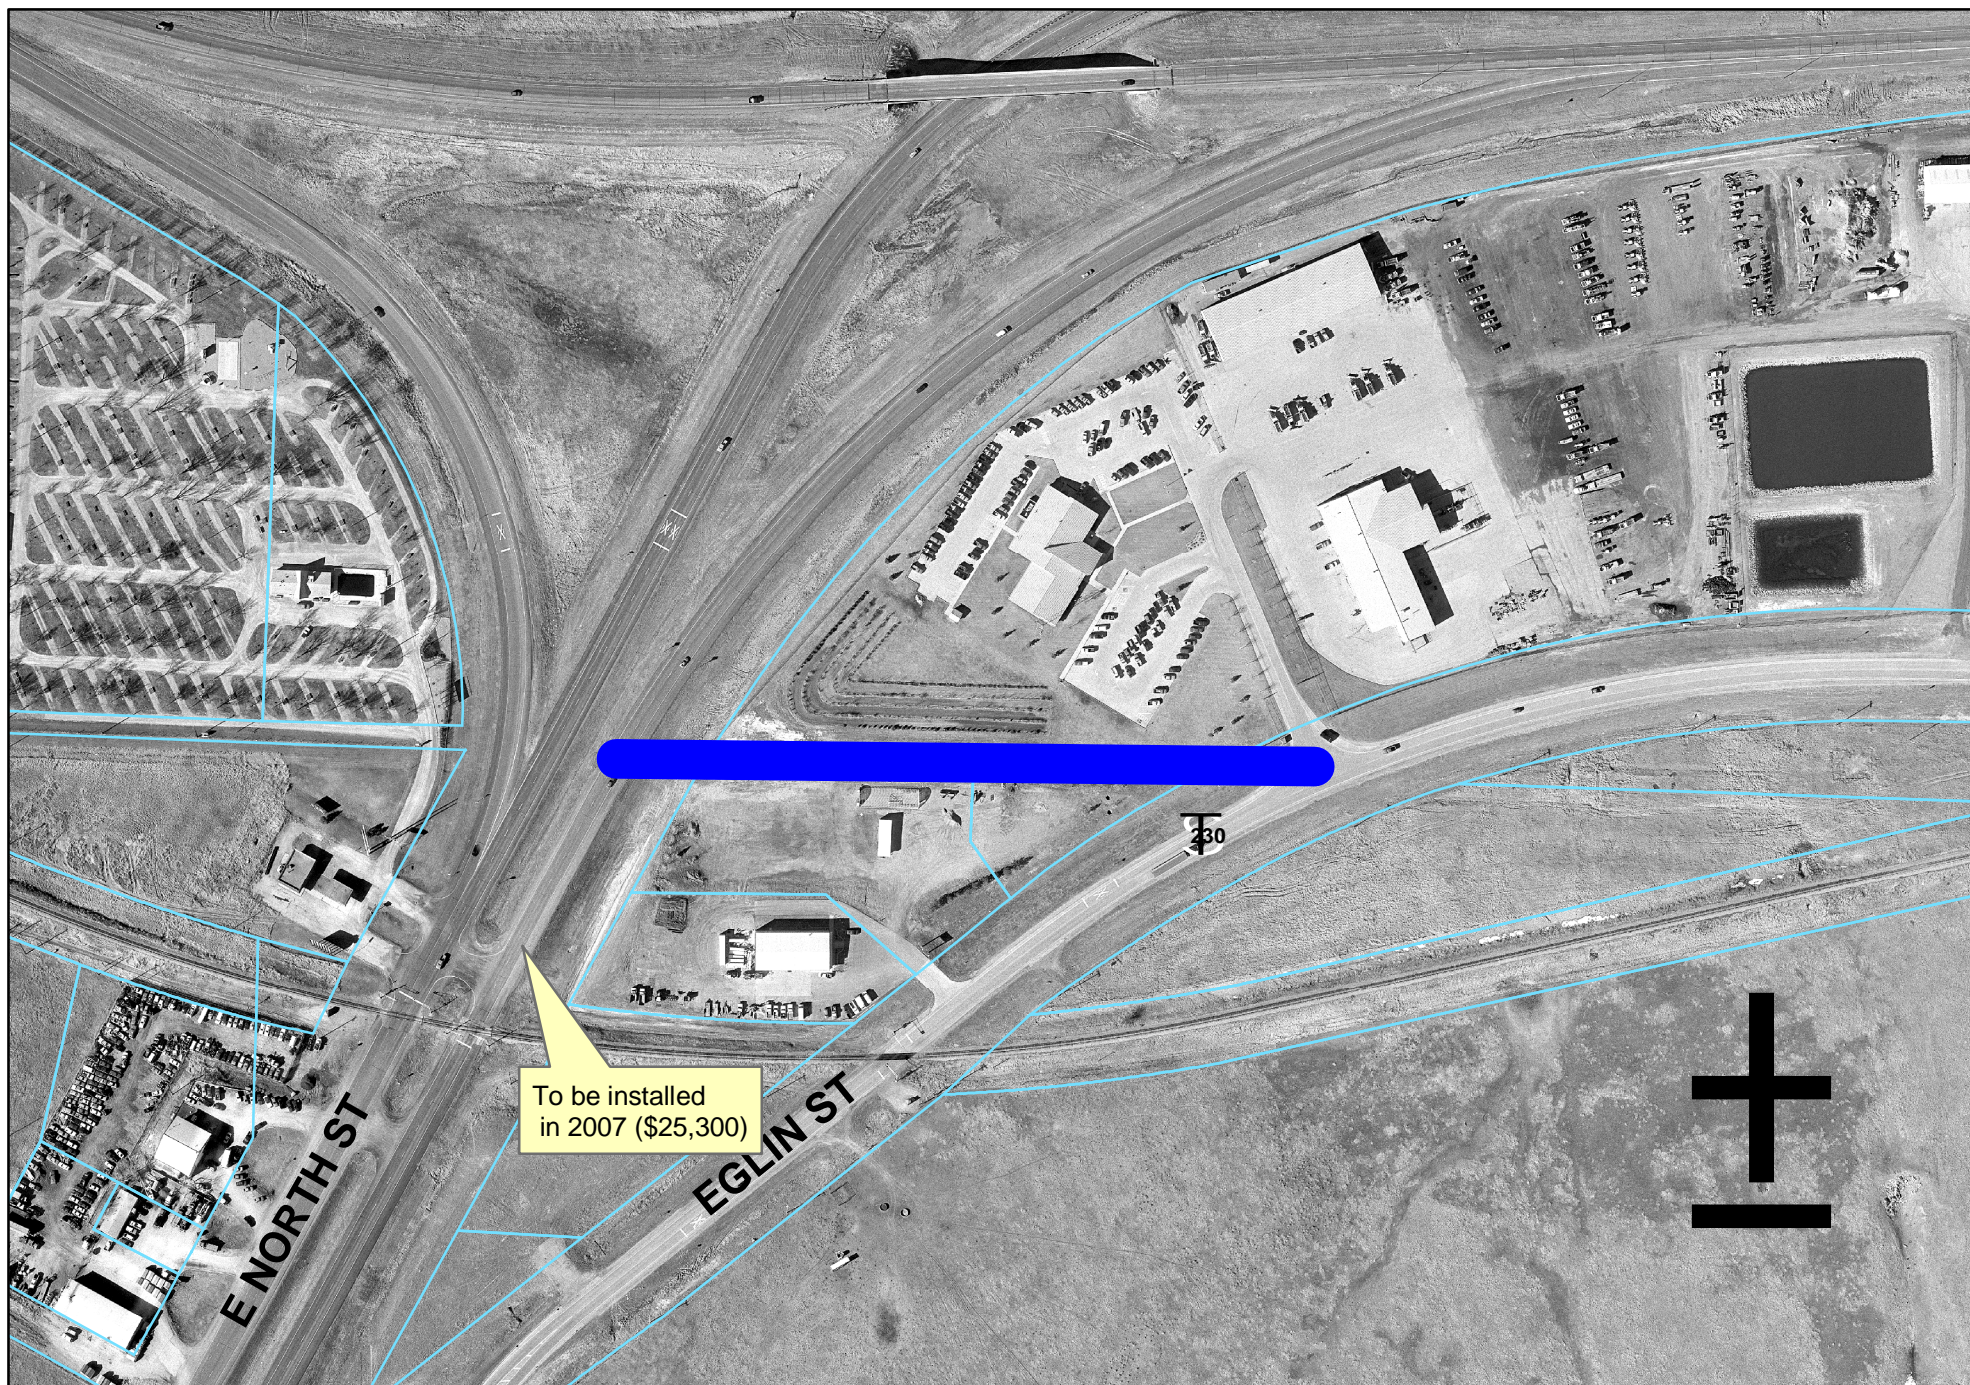

Engineering Services staff proposes to retain an engineering consultant to provide project evaluation, design, bidding, and construction administration services for the above referenced project. The project components include alignment determination and design of Eglin Street. The project will include drainage, curb, gutter, sidewalk, street lighting and minor water and sewer work.

Project funding is proposed from a combination of Sewer Enterprise, Water Enterprise, and State/Federal-Aid Urban Systems STP. An initial project budget of \$1,134,000 has been identified to include both design and construction of improvements. Construction is proposed to commence in 2008.
