RE: **No. 07TP016 – Final Rapid City Area Transportation Improvement Program (Fiscal Years 2008-2012)**

This is a five year priority list and financial plan for highway, transit and intermodal projects. The TIP development, review, and approval process includes participation from affected public agencies, citizen's groups, private transportation providers and representatives from various transportation entities. Attached is a copy of the final 2008-2012 Rapid City Area Transportation Improvement Program.
