

September 19, 2007

Honorable Mayor Hanks and Council Members;

The Rapid City Historic Preservation Commission would like your approval to place the Historic Pap Madison Cabin as an individual contributor on the National Historic Register of Historic Places. This building is now located in Haley Park, and is used for storage by the Rapid City Parks Dept. The Pap Madison Cabin is the oldest building in Rapid City and deserves this honor.

Thank you for your consideration.

Ken Loeschke  
Chairman: RCHPC
