MEMORANDUM

To: Public Works Committee

cc: Mayor Hanks
City Council

From: Robert Ellis, P.E.
City Engineer

Date: September 12, 2007

Ref: Request for Authorization to Seek Proposals
East Boulevard and East North Street Reconstruction Preliminary design
Project No. ST08-1511 / CIP No. 50565 and 50142

The South Dakota Department of Transportation (SDDOT) and the City of Rapid City previously entered into a road swap agreement whereby the SDDOT agreed to pay fifty percent of the cost to reconstruct East Boulevard and East North Street from Main Street to Cambell Street. This project would ultimately consist of a reconstruction of the existing street, installation of new water, storm sewer and sanitary sewer lines. Sidewalks, lighting and signal equipment would also be upgraded.

In order for the SDDOT to begin programming these costs they require a preliminary design and construction estimate. A consultant will be selected for this preliminary design in accordance with the City of Rapid City's current Consultant Selection Policy.

EQUAL OPPORTUNITY EMPLOYER

East North Street
