(#07PD088) has been filed in conjunction with this request. A Road Name Change request (#07RD005) to change Abbey Road to Lennon Lane has also been filed in conjunction with this request. The property was platted (#07PL007) on January 24, 2007. The property is currently void of any structural development. The property is currently zoned Low Density Residential District.

STAFF REVIEW:

Staff has reviewed the applicant's Vacation of Non-Access Easement request and noted the following considerations:

The applicant has submitted an exhibit known as "Exhibit A" identifying the portion of Non-Access Easement to be vacated. The applicant's exhibit identifies 28 feet of the Non-Access Easement along "Joplin Lane" as being proposed for vacation. Staff has noted that the plat document identifies "Joplin Lane" as Butterfly Lane. On October 29, 2007 the applicant met with staff to discuss revising the exhibit. Staff recommends that the applicant revise the exhibit to identify the proposed Non-Access Easement vacation in the area where a proposed driveway will actually be constructed rather than a 28 foot portion of Non-Access Easement to be vacated along Butterfly Lane. In addition staff notified the applicant that an Exception Request must be filed in conjunction with the Non-Access Easement request to allow for corner clearance of less than 50 feet as per Section 8.2.3 of the Street Design Criteria Manual, and the street names shall be revised on the exhibit accordingly.

Staff recommends that this item be continued to the November 21, 2007 Planning Commission meeting to allow the applicant time to submit a revised exhibit and an associated Exception Request.
