Re: Letter of Intent, Stoney Creek South Subdivision (Phase I)
Variance to the Subdivision Regulations

Growth Management Department:

The follow pertains to Stoney Creek South Subdivision, Phase I.. Eliminate the requirement to install an 8 foot wide sidewalk across the existing Arrowhead Drainage Basin Detention Dam. The sidewalk would connect to the sidewalk along Bendt Drive. The Bendt drive sidewalk is four (4) foot in width. In reviewing approved plans for the property to the west no sidewalk is shown connecting to the 8 foot wide sidewalk.

Sincerely,
Boschee Engineering
