

Rapid City Council

2007

Vision Statement

We envision Rapid City to be a vibrant place for all citizens to grow, prosper and provide a high quality of life.

Mission Statement

The mission of the Rapid City Council is to promote a cost effective public administration that ensures public trust, provides an open forum, fosters a climate of free enterprise for all people and enhances quality of life.

Adopted: January 19, 1998

Goals

In order to achieve the vision and mission the following goals will be met:

- ! Complete, implement and use the Future Land Use Plan to manage the growth of the city.
- ! Use a budget process that is inclusive and responsive to the needs of the City and is balanced with available financial resources.
- ! To provide encourage and support for the revitalization of downtown.
- ! Review and revise policies, regulations, ordinances and rules that timely ensuring efficiency and positive cost-benefit ratios.
- ! The council will hold regular work session to discuss issues that require more analysis and deliberation.
- ! Enhance and sustain the quality of life in Rapid City by promoting art, cultural events, parks, and recreation for all citizens.
- ! To seek partnerships that leverage public resources with private opportunities.
- ! To promote economic development initiatives for new and existing business, industries, and service organizations.
- ! To promote public awareness of the Council=s actions that contribute to public trust and support.
