²Our Personal Line of Credit is a margin account. Borrowing against securities has its risks and is not appropriate for everyone. If the value of your collateral declines, you may be required to deposit cash or additional securities, or the securities in your account may be sold to meet the margin call. Interest will begin to accrue from the date of the loan and be charged to the account. Available only on certain types of accounts.

³Trust and/or investment-advisory services are provided by Edward Jones Trust Company, an affiliate of Edward D. Jones & Co., L.P. (Edward Jones), a registered broker-dealer. Edward Jones Trust Company and Edward Jones are subsidiaries of the Jones Financial Companies, L.L.P. Edward Jones Trust Company may use Edward Jones or other affiliates to act as a broker-dealer for transactions or for other services. Payments of such services generally will be charged as an expense to the trust and will not reduce the amount of fees payable to Edward Jones Trust Company.

⁴Health insurance and Health Savings Accounts are offered through Assurant Health. Not available in all states.

⁵A systematic investment plan does not ensure a profit and does not protect against loss in declining markets. Such a plan involves continual investment in securities regardless of fluctuating price levels of such securities. The investor should consider the financial ability to continue the purchases through periods of low price levels.
