Jonathan:

Please DWOP the variance request for Alan Neiger. We will re-address the sidewalk and variance issue when we re-submit for PD and Preliminary Plat.

Janelle,

Just wanted to touch base with you about 07SV022 that has been on the City Council agenda for a quite a while. The last time I talked to Alan Neiger he stated that he did not want to sign the WORP at this time and that he would soon be submitting a new plat for this property ( intersection of Mount Rushmore Road and Highland Park Drive). Do you have any insight on where he may be submitting something new?

thanks!

Jonathan
