WHEREAS, there is a common water well located at the intersection of the adjoining property lines of all three (3) of the parcels of real property hereinbefore described; and

WHEREAS, The First and Second Parties, for themselves and their heirs, successors, and assigns are desirous of dedicating the use of said well for the use and benefit of the owners of all of such parcels of real property as have been described herein, both for the present and future; now, therefore, it is hereby

UNDERSTOOD, AGREED AND DECLARED by the First and Second Parties, for and in consideration of the mutual covenants herein contained, as follows:

I

That the First Parties, Second Parties, and their respective heirs, assigns, and successors, do hereby contract, declare and mutually agree that each parcel of real property herein described shall be entitled to the equal use and benefit of said water well with equal right to draw water therefrom, subject to all the terms and conditions of this Agreement.

II

That each of said parcels of real property shall be liable for the payment of one-third (1/3) of the actual costs incurred for the operation, maintenance, and preservation of said well; and that the failure or refusal by any owner of any of such parcels of real property to pay his or their respective share of such expense on or before the 1st day of January

following the year in which such cost or expense was incurred, shall cause a forfeiture of any and all rights the owner of such parcel may have under this Agreement for the use and benefit of such parcel, or parcels, as may be owned by him.

III

That, until such time as said well can be properly metered to divide the cost of powering the pumping apparatus among the three (3) parcels of real property served thereby, the Parties of the Second Part, for themselves, their heirs, successors, and assigns, do hereby agree to pay for and provide at their expense, electrical or other power to operate said pumping apparatus to secure adequate water from such well; provided, however, the First Parties, for themselves and their heirs, assigns, and successors hereby agree and promise to pay to the Second Parties or their heirs, successors or assigns, a sum equivalent to one-third (1/3) the actual cost of such electrical or other power per parcel of real property, or the sum of Twenty-Four Dollars (\$24.00) per parcel of real property, whichever is greater, on or before the 1st day of January in each year in accordance with Paragraph II, above.

IV

That, in the event any dispute arises concerning the operation, maintenance, use, repair, or reconstruction of said well, it is hereby agreed that each of such parcels as are served by such well shall be entitled to one (1) vote, which vote may be exercised by the owner of such parcel; and that all such disputes as may arise shall be resolved by the taking of a vote by such owners, a simple majority being controlling and binding.

upon all Parties hereto.

V

That, it is the express intention and agreement of Parties hereto that, henceforth, this Agreement shall be binding upon and run with the real property hereinbefore described, and that any conveyance of the above described property shall be subject to the terms, conditions and obligations of this Agreement, and binding upon the heirs, successors and assigns of the respective Parties hereto.

VI

That, in the event that any provision of this Agreement or any portion thereof, is held to be invalid by a Court of competent jurisdiction, it is hereby expressly understood and agreed that said invalidity shall not affect any other of the provisions of this Agreement which can have full and given effect without the invalid provision, and for this purpose, the provisions of this Agreement are to be considered severable.
