Sheryl,

Based on outbound travel for 4/06 with a return on 4/12, the lowest priced options are with Frontier. The flight leaving Rapid at 421pm, thru Denver, arriving Indianapolis at 1028pm and a return leaving Indianapolis at 811pm to arrive Rapid at 1059pm, the fare per person is \$420.38. This is a 21 day advance purchase fare, subject to change and availability. The alternate departure on the 6th is \$440.39, leaving Rapid at 620am, thru Denver, and arriving Indianapolis at 300pm. The lowest fare offered on United is \$484 but is not available on these dates.

Thank you.

Mary
