To Whom It May Concern,

I am writing this letter on behalf of the South Dakota Engineering Society, which is a non-profit organization. We are hosting an annual conference here in Rapid City April 23 – 25, 2008. At this conference we intend to sell raffle tickets for a raffle with donated prizes equaling the approximate cost of tickets. All proceeds from this raffle will go into SDES's endowment fund, which has been established to promote higher education scholarships for engineering students. Please present this letter at the next appropriate city council meeting for approval. If there are any questions, please contact Kim Greager at Albertson Engineering, Inc. at 605-343-9606. Thank you for your time.
