Dear Council Members:

The Rapid City Girls Junior Olympic ASA (RCJOASA) softball organization, a non-profit organization, is requesting that Rapid City relocate the recycle bins and compost collection bins currently located in the parking lot at Pete Lien Memorial Field. We are anticipating the need for over 1000 parking spaces as well as bus parking for the exhibition game with the 2008 Olympic Softball Team on July 15, 2008.

We would anticipate the relocation duration to be approximately seven days to allow for setup and teardown of the Event.

We are having periodic meetings with Jerry Cole to keep the City updated on the planning of the Event. Jerry has been very helpful at keeping us moving forward with our planning.

We appreciate the City's support for this Event and any relief on the cost for relocation of the bins.

Thank you for your consideration in this matter.

If you have any questions regarding this request or you need additional information, please feel free to contact me at 484-8931.

Sincerely,

Dave Mueller
