Dear Sir/Madam:

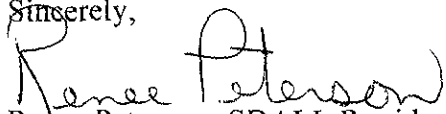

The South Dakota Association of Lifelong Learning is an organization that promotes professional growth for adult educators in South Dakota.

In partnership with the South Dakota Department of Labor and the Commission on Adult Basic Education (COABE), we are hosting a regional conference at the Ramkota in Rapid City from July 28 – 30, 2008. We are expecting 250 – 300 educators from a five state area.

We respectfully request your permission to conduct a raffle for a Star Quilt during the conference. Our goal is to earn money that we can apply to our professional development fund. These funds provide conference scholarships and special grant opportunities for adult educators throughout South Dakota.

We are a non-profit organization. Our Federal taxpayer ID is 46-038-7383. Please feel free to contact me if you have any questions.

Sincerely,

Renee Peterson, SDALL President-Elect
