

NOON OPTIMIST CLUB

LF041608-17

The Noon Optimists of the Black Hills would like to Raffle Two Frontier Airline tickets the 1st of May. We will use the proceeds to help us with our Youth Activities. We support the Local Big Brothers and Big Sisters by taking the Unattached kids to different places in the area. We have taken them to Learn to Ski at Terry Peak, we also have taken them to the Fish Hatchery for a tour and fed them lunch at Canyon lake Park. We will have a fishing derby very soon. Thank you for your consideration.
