

38th Annual Clean Up Day
April 26, 2008
2008 Final Report

Monday – Friday – April 21-25, 2008

Received 1176 pickup loads or about 425 tons of waste

Received 405 loads or about 221 tons of yard waste

Sold 202 loads or about 576 tons of compost

Saturday – April 26, 2008

Received 673 free pickup loads (243 tons)

Received 77 loads of yard waste (50 tons)

Sold 78 loads of compost (151 tons)

City collection trucks picked up 25.5 plus tons of refuse from
the volunteer effort and the designated roll-off sites

During the week, the City took in 86.04 tons from the cleanup efforts
hailed by the commercial garbage services.

City Landfill gave away 146 tons of the MSW compost from Monday
through Saturday.

Clean Up Day History (Saturday Only):

2003 – 1037 pickups

2004 – 1178 pickups

2005 – 1270 pickups

2006 – 1229 pickups

2007 – 1685 pickups

2008 – 673 pickups*

*Low numbers probably due to poor weather, traffic seen during the
week was very close to past years.
