On June 4, 2007, the City Council approved a Preliminary Plat application (File# 07PL060) to create three lots, which included Phase One and Phase Two of the proposed "Rapid Center" development.

On June 18, 2007, the City Council approved a Fence Height Exception (File# 07FV003) to allow a six foot high galvanized chain link fence to be constructed along the south side of the property as it abuts Interstate 90.

On June 20, 2007, the City approved a Final Plat (File #07PL078) creating Lots 1, 2 and 3 of Forefather Flats Subdivision, which included Phase One and Two of the proposed "Rapid Center" development.

On July 26, 2007, the Planning Commission approved an Initial Commercial Development Plan (File #07PD046) to allow a commercial development on 53.71 acres, which included this property. The applicant indicated that the commercial development would include 569,000 square feet of commercial use(s). In addition, the applicant indicated that the development would be known as "Rapid Center" and would be constructed in four phases.

On September 6, 2007, the Planning Commission approved a Final Commercial Development Plan (File #07PD071) to construct an 80,028 square foot retail sporting and hunting goods store to be known as "Cabela's" on Lot 3 of Forefather Flats Subdivision.

The property is located north of Interstate 90 and south of East Mall Drive and is currently void of any structural development.

**STAFF REVIEW:**

Staff has reviewed the Variance to the Subdivision Regulations and has noted the following considerations:

**Infrastructure Improvements:** Construction plans have been submitted for review and approval as a part of the associated Preliminary Plat application. The construction plans show the construction of access streets, utilities, and drainage improvements for the proposed commercial development. However, additional information must be submitted for review and approval in order to determine that all of the infrastructure improvements are being provided for this development. Until the information is submitted, staff can not determine if all of the Variance to the Subdivision Regulations can be supported as requested. As such, staff is recommending that this item be continued to allow the applicant to submit the
