Dear Vicki:

As discussed at an earlier meeting the City of Rapid City Public Works Division is requesting the authorization to prepare an H-lot located in the SW ¼ of NW ¼ of Section 5, T1N, R8E, BHM, Rapid City, Pennington County, South Dakota on behalf of the City of Rapid City and authorize acceptance of deeds.

The H-Lot is proposed for the construction of a drainage channel from City owned property along Cambell Street to the Creek Drive ROW. Attached is a vicinity map of the area around the proposed H-Lot, H-Lot Plat copies, and the application signed by the property owner.

If you need additional information or have any concerns please contract me.
