UTILITY NOTES

1. The Contractor is responsible to coordinate the relocation and/or adjustment of utilities with the appropriate utility company prior to the start of construction. The Contractor is also responsible to protect and maintain all utilities during construction. Any damage to utilities shall be repaired at the Contractor's expense. Coordination shall include payment of any fees required by the utility company.

2. Contractor shall verify elevation of the sanitary sewer/storm sewer at the point of connection prior to the start of construction. Notify the Engineer immediately if conditions are different than shown on the plans.

3. Contractor shall verify elevation of the existing water main at the point of connection prior to the start of construction. Notify the Engineer immediately if conditions are different than shown on the plans.

4. Contractor shall verify the location of all existing utilities prior to the start of construction. Notify the Engineer immediately if conditions are different than shown on the plans.

5. Contractor shall coordinate the installation of all utilities with the appropriate utility company.

6. Contractor shall verify the location of all existing utilities prior to the start of construction. Notify the Engineer immediately if conditions are different than shown on the plans.

7. Contractor shall verify the location of all existing utilities prior to the start of construction. Notify the Engineer immediately if conditions are different than shown on the plans.

8. Contractor shall verify the location of all existing utilities prior to the start of construction. Notify the Engineer immediately if conditions are different than shown on the plans.

9. All roofing and gutters shall be installed prior to the start of construction. Notify the Engineer immediately if conditions are different than shown on the plans.

10. The Contractor is responsible for obtaining all permits required for the construction of the project. Notify the Engineer immediately if conditions are different than shown on the plans.

11. All construction shall be in accordance with the latest edition of the Standard Specifications for Highway Construction.

12. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

13. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

14. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

15. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

16. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

17. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

18. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

19. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

20. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

21. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

22. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

23. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

24. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

25. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

26. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

27. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

28. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

29. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

30. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

31. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

32. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

33. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

34. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

35. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

36. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

37. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

38. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

39. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

40. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

41. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

42. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

43. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

44. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

45. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

46. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

47. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

48. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

49. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

50. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

51. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

52. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

53. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

54. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

55. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

56. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

57. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

58. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

59. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

60. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

61. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

62. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

63. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

64. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

65. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

66. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

67. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

68. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

69. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

70. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

71. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

72. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

73. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

74. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

75. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

76. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

77. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

78. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

79. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

80. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

81. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

82. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

83. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

84. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

85. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

86. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

87. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

88. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

89. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

90. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

91. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

92. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

93. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

94. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

95. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

96. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

97. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

98. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

99. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.

100. The Contractor shall notify the Engineer immediately if conditions are different than shown on the plans.
