**No. 08RZ009 - Rezoning from Low Density Residential District to Public District**      **ITEM 11**

---

RECOMMENDATION:

Staff recommends that the Rezoning from Low Density Residential District to Public District be continued to the **July 24, 2008** Planning Commission meeting.

GENERAL COMMENTS:

**(Update: June 27, 2008. All revised and/or added text is shown in bold.) This item was continued to the July 10, 2008 Planning Commission meeting to allow the applicant to submit required information. To date, the information has not been submitted for review and approval. As such, staff recommends that this item be continued to the July 24, 2008 Planning Commission meeting to be heard in conjunction with the Comprehensive Plan Amendment.**

The applicant has submitted a request to rezone 1.46 acres from Low Density Residential District to Public District. This undeveloped property is located north of Sweet Briar Street, east of Jolly Lane, west of Neel Street and south of Homestead Street. The property to the north is currently zoned General Agricultural District. The property to the south is currently zoned Low Density Residential District. The property to the east is currently zoned Suburban Residential District in Pennington County. The property to the west is currently zoned Low Density Residential.

An associated Comprehensive Plan Amendment (#08CA012) to change the Future Land Use designation from Low Density Residential to Public and a Preliminary Plat (#08PL030) have been filed in conjunction with this request.

STAFF REVIEW:

On April 1, 2008, staff met with the applicant to discuss the proposed design and service boundaries of the sanitary sewer system for the development since the southern portion of the property is located within the Rapid Valley Sanitary District service area and the northern portion of the property is located within the City of Rapid City's service area. Staff is recommending that the Preliminary Plat be continued to the May 8, 2008 Planning Commission meeting with the applicant's concurrence to allow the service area issue to be addressed. Staff is also recommending that this item be continued to the May 8, 2008 Planning Commission meeting to allow it to be heard in conjunction with the associated Preliminary Plat.

Notification:

As of this writing, the required sign has been posted on the property, and the receipts from the certified mailing have been returned. Staff has received some inquiries, but no objections regarding the proposed request at the time of this writing.
