About The Conference

The 74th Annual SDWWA Conference will be composed of sessions aimed at improved plant operations, maintenance, controls and problems encountered in water and wastewater operations. The conference is of interest to all water and wastewater supervisors, utilities managers, operators, and city officials. (Contact hours for complete attendance at the conference will be given for operator certificate renewal. Attendance will be taken.)

This is not intended to be a basic water or wastewater certification training course. The needs of the beginning operators and operators studying for certification exams may be better served through classes presented by the South Dakota Association of Rural Water Systems through a contract with DENR.

SDWWA Web Site www.sdwwa.org

Registration Times

The on-site registration will be open in the Lobby area:

Wednesday, September 10: 9:00 - 4:00
Thursday, September 11: 9:00 - Noon

Please note that there is no pre-registration. Have your Operator # if you wish to receive contact hours.
