ASSEMBLY AREA(S): _____

Please see attached sheets for times and parking needs.

EVENT APPLICATION
For
First United Methodist Church
On
Saturday, September 27, 2008

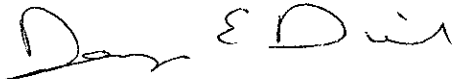

The Mission Ingathering, the event described on the application will bring somewhere around 100 people from area United Methodist Churches from Wall to Spearfish and from Faith to Hot Springs. Parking will be an issue and it would be detrimental to the flow of the event to have persons worrying about the parking meters. The days schedule will involve worship events, workshops, lunch and an auction of donated items. Kits will be collected to help those who have been affected by flooding and fires throughout the United States as well as health kits and school kits for underprivileged people.

We would request that meters would not be read from the time period of 8:00 a.m. until 2:30 p.m. We also need to let you know that we will have a trailer parked either in our small parking lot or in some adjoining parking spots. As part of the experience we will be loading that trailer with the many, many kits that will be collected. The presence of that trailer will also complicate the limited number of parking spaces in our parking lot and the surrounding streets.

A map has been attached on which is marked the streets that will probably be affected by parking for the event. Because the event is on a Saturday there will be very little or possibility no businesses affected by the parking places used.

We would appreciate your consideration and cooperation in this important event. We would like those from outside of the area to find downtown Rapid City to be a friendly and welcoming place.

Thank you.

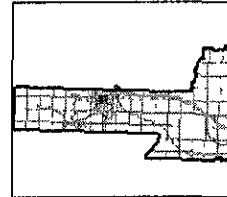

Douglas E. Diehl
Senior Pastor
