Submitting Agency: City of Rapid City
County Jurisdiction   Pennington County

Can project be completed or equipment purchased no later than October 1, 2009?

Yes __X___   No_____   Unknown_____

PROJECT COST	

Total Cost of Project *	$ 17,552
Your Agency Cost Share	$ 5,552
Grant Funds Requested	$ 12,000

   * Include quotes or price list; no estimates.

PROJECT NARRATIVE:	

1. Explain what this project/equipment is:

   Handheld two-way radios to communicate with Fire, Police, State Agencies during emergency/disaster situations.

2. How will this project/equipment mitigate or prevent disasters or terrorism?

   Will allow faster communications between the City of Rapid City staff and other 1st responder agencies.

3. How will this project/equipment improve response or recovery from a disaster or terrorism?   Allow City of Rapid City staff to communicate directly with other 1st responder agencies rather than relaying from person to person.

4. Justify the project/equipment as to why it is needed and list all of its uses.
 The City of Rapid City, Public Works Department currently does not have this communication equipment.

5. If applicable, is there a multi-jurisdictional Memorandum of Understanding in place?
    Yes _____   No X _____   Will there be?   X _____
    (If yes who is it with)

6. Are there on-going/future costs to this project or equipment? (Explain)   No _____

6a. How much per year?   _____N/A_____

7. Are these costs budgeted for future years?   Yes _____   No ___X___

8. What other similar equipment has your agency used in this manner in the past and why is that equipment no longer sufficient?
   The City of Rapid City, Public Works Department only has radio communication on it's own frequency, not allowing communication with Police, Fire or State agencies.

9. Even though the item may be on the ODP Authorized Equipment List, why is it specifically needed for your agency/jurisdiction?
   Communication with other 1st responder agencies.

Grant applications will be accepted only in this format. Additional supportive documentation may be included at your discretion.
