Subject: South Valley Drive Annexation

Dear Council Members,

PLEASE, PLEASE do NOT annex the South Valley Drive area. I DO NOT want to be annexed into city limits.

I cannot see any advantage for our area to be annexed. We will have higher taxes, and a big mess where services are concerned (specifically snow removal). Also, will the city send emergency services if I need help while I'm on county land, (which happens to be a field next to the trailer lot)?

Also, I understand that the city will not provide a secondary access unless we circulate a petition and I know that there is not enough money in the budget for that kind of expense. Also, someone really needs to update and revamp our bridge.

I understand if you are too busy to reply, I just wanted you to understand where I'm coming from. I just moved here last October after being evicted from the Eastbrooke Mobile Home Park because the owner wanted to sell the land. I really hope that the move to annex the area doesn't prompt the owner of this mobile home park to act in a similar fashion.

PLEASE, PLEASE do not annex us into the city. Please feel free to contact me if you have any questions for me.

Sincerely,
Tracy Beck
