### MEMORANDUM

**From:** Brad Solon, Building Official

**To:** Rapid City Planning Commission

**Date:** December 4, 2008

**Subject:** Road Name Change - Change the name of a portion of S Highway 79 right-of-way to Pendleton Drive

Recent South Dakota Department of Transportation changes to roadway configuration in Section 17, T1N R 8E in Rapid City have resulted in portions of right-of-way without names, or with incorrect names. Also, the access to properties in the vicinity has changed and approaches have been closed or moved.

One of the affected roads is the service road that extends south of Merillat Road. Since this service road no longer has access from South Highway 79, the access to South Highway 79 is eliminated, and South Highway 79 is no longer at this location, the road should be re-named.

This proposal would require the four businesses to change their addresses. Staff has contacted the property owners via mail and telephone. Staff has not received any objections to this proposal from affected landowners.

Staff has received no objections to this proposal from Emergency Services Communication Center, Rapid City Fire Department and the Police Department.

**RECOMMENDATION:** Staff recommends that the service road located in the South Highway 79 Right-of-Way extending south from Merillat Road be renamed Pendleton Drive.
