### MEMORANDUM

**From:** Brad Solon, Building Official  
**To:** Rapid City Planning Commission  
**Date:** January 30, 2009  
**Subject:** Road Name - Glenside Street

The Emergency Services Communication Center staff has expressed concerns regarding the name of Glenside Drive/Glenside Street.

In researching the issue, staff could find no record of the street being named on any plat. The original plat of the area shows: "street". The street signs at this location display Glenside Street. All of the property owners use Glenside Street as their property address, except one. This lone property owner uses a post office box as their mailing address.

Staff is recommending that the road be officially named Glenside Street.

None of the property owners would have to change their mailing address as a result of this proposal. Also, the street signs would not be affected.

Staff has not received any objections from Emergency Services, Fire Department or the Police Department staffs.

**RECOMMENDATION: Staff recommends naming the unnamed right-of-way within Marshall Subdivision, Glenside Street.**
