Dear Ms. Maggie Paul,

SUBJECT: RAFFLE APPLICATION

The American Red Cross Black Hills Area Chapter would like to conduct a raffle of a new Cedarshed Playhouse that has been donated by Black Hills Corporation. I have attached a copy of the specifications for your information. The raffle would take place from the time the application is approved to the drawing on June 7th, 2009. Proceeds from this raffle will go to support the services the American Red Cross provides to our local community.

Sincerely,

A handwritten signature in cursive script that reads "Richard Smith".

Description

With classic slat-style side panels and an A-frame roof, the Cedar Shed Cabin Playhouse will encourage your children to get out in the fresh air and put their imaginations to work. Constructed of Western Red Cedar, this play cabin has an adorable covered front porch with lattice paneling all around. A wide front door ensures they can fit just about anything they want inside, and there are several open windows for letting in plenty of fresh air. While it's intended for childhood fun, this playhouse also makes an adorable and attractive solution for storing your gardening tools. Use it as a storage shed once the kids have outgrown it.

About Cedar Shed Industries

Since 1980, Cedar Shed has grown to be one of the largest specialty cedar product manufacturers in the world. They offer top quality products like gazebos, sheds, and outdoor furniture, all made from high-quality Western Red Cedar. Over the years, Cedar Shed has grown, developed, and matured to the point where they are now shipping thousands of gazebos and garden sheds every year to customers around the world.

Why Western Red Cedar?

The supremacy of Western Red Cedar as an all-weather building material is entirely natural. Along with its beauty, stability, and endurance, Western Red Cedar contains natural oils that act as preservatives to help the wood resist insect attack and decay. Properly finished and maintained, Western Red Cedar ages gracefully and endures for many years. Western Red Cedar is non-toxic and safe for all uses. Over time, the wood remains subtly aromatic and the characteristic fragrance adds another dimension to the universal appeal of the Cedar Shed products.
