MEMORANDUM

TO: Public Works Committee

FROM: Vicki L. Fisher, Planning Manager

DATE: March 26, 2009

RE: Request to accept water lines as a public utility on property located in the NW1/4 of Section 30, T2N, R8E, BHM, Rapid City, Pennington County, South Dakota

On March 26, 2009, the Planning Commission approved SDCL 11-6-19 Review #09SR016 to authorize acquisition of an existing eight inch water line located between N. Maple Avenue and Lot 2, LJS Subdivision and a proposed eight inch water main to be located along the west lot line of Lot 2, LJS Subdivision.

The applicant has also submitted a request that the City Council accept the water lines as a public utility. Acquisition of the water mains will allow the City to acquire a looped water system in the future once a water main is extended along the east-west leg of N. Maple Avenue.

Recommendation: Staff recommends approval of the request that the City accept the water lines as a public utility.
