We would like to respectfully request a 1-year extension of the Preliminary Plat on Tract A of Wright Subdivision (07PL037) be forwarded to the City Council for approval. This application was approved through the City Council on April 2, 2007, and therefore would have a 2-year expiration date of April 2, 2009. Construction commenced and the owner would prefer to complete the remaining improvements rather than post surety.

Thank you.
