

## **DESCRIPTION OF REQUEST**

1. We hereby request to construct the sign as drawn. We feel it is aesthetically pleasing, non-distracting to passing drivers and with the sign base as configured, allows for better visibility for operators of motor vehicles as they approach the intersection upon which the sign will be located.

## **PROPOSED/INTENDED USE**

The proposed or intended use of the project will remain the same as originally submitted. It is a Mexican restaurant with planned future construction of two (2) additional restaurants.
