(Update, March 16, 2009. All revised and/or added text is shown in bold print.) This item was continued to the March 26, 2009 Planning Commission meeting to be heard in conjunction with the associated Preliminary Plat (#09PL004) application and to allow the applicant to submit the required information. To date, no additional information has been submitted. As such, staff recommends that this item be continued to the April 9, 2009 Planning Commission meeting.

The applicant has submitted a Variance to the Subdivision Regulations to waive the requirement to install curb, gutter, sidewalk, street light conduit and additional pavement as per Chapter 16.16 of the Rapid City Municipal Code. In addition, the applicant has submitted a Preliminary Plat (#09PL004) to combine Lot 11A of Block 7 and the east 20 feet of Lot 11 of Block 7 of Eastern Acres Subdivision. The proposed plat will not result in an increase in density. Currently, an accessory structure is located on the property.

Staff has reviewed the Variance to the Subdivision Regulations request and has noted the following considerations:

Corbin Drive: Corbin Drive is located along the northern lot line and is classified as a subcollector street requiring that the street be located in a minimum 52 foot wide right-of-way and constructed with a minimum 27 foot wide paved surface, curb, gutter, sidewalk, street light conduit, water and sewer. Currently, a portion of Corbin Drive is constructed with an approximate 20 foot wide paved surface. The applicant has requested a Variance to the Subdivision Regulations to waive the requirement to install curb, gutter, sidewalk, street light conduit and additional pavement as per Chapter 16.16 of the Rapid City Municipal Code. Staff noted that the associated Preliminary Plat (#09PL004) does not create an increase in density and the street improvements would create a discontinuous street section. However, additional information is required prior to making a recommendation on the associated Preliminary Plat application. As such, staff is recommending that the Variance to the Subdivision Regulations to waive the requirement to install curb, gutter, sidewalk, street light conduit and additional pavement as per Chapter 16.16 of the Rapid City Municipal Code be continued to the March 26, 2009 Planning Commission meeting to be heard in conjunction with the associated Preliminary Plat.
