The Pennington County Firefighter's Association, in conjunction with members of the Rapid City Fire Department is hosting 2009 SD State Fire School. This is a state-wide training event. The dates are June 11<sup>th</sup> - 13<sup>th</sup>, 2009.

We have been given the building at 603 Quincy St. to use as the site for two of our classes. We received authorization to use the building on Friday June 5<sup>th</sup>, 2009. The two classes are Urban Search and Rescue and Rapid Intervention Teams. Each class will have a maximum of 24 students.

We are requesting the following area to be utilized for the training event.

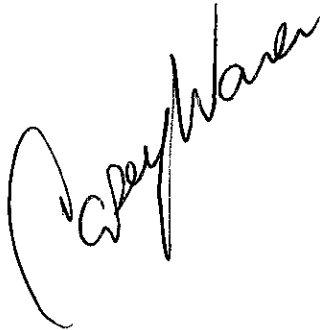

- The three metered spots in front of 603 Quincy St. These spots will be used to park instructor vehicles.
- 6<sup>th</sup> street from the intersection of 6<sup>th</sup> st and Quincy st to just north of the alley access, including parking spots. This area will be used to park vehicles (fire trucks, rescue trailers) and support items (tents, portapotties, dumpsters, generators, etc)

The area will need to be setup late Thursday night (6-11-09) or very early Friday morning (6-12-09). One class will be there on Friday and both classes will be there on Saturday. As soon as the events are done on Saturday, the area will be cleaned and the barriers removed.

Rapid City Fire Department Asst. Chief Tim Behlings is the contact with the building owner. He will be securing signatures on the hold harmless agreement for the building.

Please contact me if you have any questions. Thank you very much for your assistance.
