EXHIBIT "B"

- B.1 Project Description
- B.2 Scope of Services Summary
- B.3 Scope of Services Requested
- B.4 Consultants Schedule
- B.5 Payments to the Engineer for Service

B.1 PROJECT DESCRIPTION

Phase One - Project One is the reconstruction of E. Idaho from Maple Ave. east to Elm Ave. and the reconstruction of Maple Ave. from Oakland St. south to the high point in Maple Ave. south of E. Idaho. The existing water mains were previously replaced with PVC except for that portion of Maple Ave. south of E. Idaho. The sanitary sewers will need to be replaced in the entire project. The consultant shall evaluate the extent of storm sewer extension west from Elm Ave. The storm sewer extension, however, is anticipated to be primarily for inlet placement in order to intercept curb flows prior to entering Elm Ave. Pavement, sidewalks, and curb & gutter will be reconstructed with under-drains and possible groundwater drains at the bottom of the sanitary sewer trench. In addition, the consultant shall determine if curbside sidewalks may be relocated to the City's standard property line location. This project shall be bid and constructed in 2009.

B.2 SCOPE OF SERVICES SUMMARY

The professional services to be provided will include Tasks 4 and 5:

Under this Contract

Task 4 – Basic Construction Services

Task 5 – Expanded Construction Services

B.3 SCOPE OF SERVICES REQUESTED

The Scope of Services as Requested will include Tasks 4 and 5. Each of the Tasks are outlined below.

The professional services to be rendered under this contract will include Task 4 and 5 as outlined below, unless indicated otherwise. Where exceptions and/or clarifications to the Tasks are required, they are shown in bold following the Task number.

TASK 4 – BASIC CONSTRUCTION SERVICES:

This task consists of all services necessary for the administration of the Basic Construction Services of the project construction stage, and may include the following itemized services.

- 4.1 Prepare Notice to Proceed for City of Rapid City project manager signature and distribution to contractor for execution.
- 4.2 Arrange and conduct a Pre-Construction Conference including agenda. Record minutes and distribute to all attendees. An example of an agenda is enclosed as Attachment Six for your information.
- 4.3 Provide written clarification regarding drawing and specification questions.
- 4.4 Provide recommendations to address changed or unknown conditions that may appear during construction.

- 4.5 Review and take action on shop drawings, product submittals, test results, and other submittals.
- 4.6 Prepare "As-Built" plans and specifications. "As-Built" plans and specifications shall be submitted as a hard copy and on CD compatible with AutoCAD Release 2006 format. Submit to Engineering Services within 30 days of project completion. In the event that the City did not issue a "Notice to Proceed" for Task 5 services, then the City shall forward construction record documents for preparing the "As-Built" plans and specifications.

TASK 5 – EXPANDED CONSTRUCTION SERVICES”:

This task consists of all services necessary for the administration of the Expanded Construction Services of the project construction stage, and may include the following itemized services.

- 5.1 Mark removal limits of appropriate items.
- 5.2 Prepare Public Service Announcements (P.S.A.'s) for Engineering Services. Engineering Services will be responsible for distribution to all local media. Copies of P.S.A.'s shall be distributed one week prior to start of work or change in operations that may significantly affect the public.
- 5.3 Appropriately notify affected Property Owners.
- 5.4 Arrange and conduct appropriate progress meetings. Record minutes and distribute to all attendees.
- 5.5 Provide daily on-site observation to assure that the methods and materials used by the contractor meet the intent of the plans and specifications. For buried installations such as for sewer and water mains the Consultant shall be on site all of the time the Contractor is installing these buried installations.
- 5.6 Prepare daily reports. A daily record of activity will be maintained by the inspector including weather conditions, construction progress, deviations from the plans and specifications, work performed, quantities installed and any other pertinent information. Such information shall be neatly and concisely entered into the City of Rapid City Project Inspector's Diary and Inspection quantity book. Submit detachable copies to Engineering Services on a weekly basis.
- 5.7 Perform stormwater inspections, prepare reports, and keep the erosion and sediment control plans current as required by the ordinance regulating construction site runoff control, Chapter 8.46, and the Stormwater Quality Manual.
- 5.8 Provide soil compaction testing according to the Standard Specifications. All test results shall be submitted to the City of Rapid City within 30 days of project completion.
- 5.9 Provide assurance testing (or witness Contractor testing) according to the Standard Specifications. All test results shall be submitted to the City of Rapid City within 30 days of project completion.
- 5.10 Prepare and submit monthly pay request information.
- 5.10.1 City Staff Shall maintain the "Project Book" and process Pay Requests.**
- 5.11 Prepare change orders, and extra work orders for contractor on City of Rapid City forms and make recommendations for their approval or denial.

- 5.12 Prepare and submit project completion punch list items to the Contractor and Engineering Services and oversee its completion.
- 5.13 Prepare and submit City of Rapid City project "Construction Project Close-out Checklist" indicating compliance with Standard Specifications and acceptance of the various infrastructure components. The Consultant is responsible for coordinating completion of the checklist items with the Contractor. The checklist is enclosed as Attachment Four for your information.
- 5.14 Prepare letter of certification of project completion verifying compliance with plans and specifications and start of warranty period.
- 5.15 Prepare a letter to SDDENR notifying them of project completion.
- 5.16 Ensure Contractor's two-year warranty surety is provided to the City of Rapid City either within the performance bond or as a separate bond.

B.4 CONSULTANT SCHEDULE

The Consultants services shall follow the completion milestone as outlined in the Bid Document, and summarized below:

Phase One - Project One: 100%
Proposed Construction Completion

November 25, 2009

Note that the Engineer has no final control over the Contractors final completion deadline. Should the Contractor fail to meet the scheduled completion milestone, and the projects extend beyond the completion milestone, the Engineer will amend the contract to correspond with the revised completion dates.

B.5 PAYMENTS TO THE ENGINEER FOR SERVICE

For the engineering services performed by the ENGINEER under this Agreement, and as full compensation therefore, and for all expenditures made and all expenses incurred by the Consultant in connection with the Agreement, except as otherwise expressly provided herein, subject to and in conformance with all provisions of the Agreement, the OWNER will pay the ENGINEER as follows:

For the Engineering Services described in Section B.3, the OWNER will pay the ENGINEER in accordance with the provisions of "Exhibit C". The services will be billed on a unit-cost basis. The unit costs are considered fixed; however, the task subtotals and total fee will vary depending on the actual work performed and conditions. The estimated fees for the services outlined in Section B.3 are as follows:

<u>TASK NUMBER</u>	<u>PHASE 1 PROJECT 1</u>
TASK #4	\$3,755.00
TASK #5	\$44,537.50
SUB-TOTAL =	\$48,292.50

TOTAL ESTIMATED PROJECT FEES = \$48,292.50

The "Total Estimated Project Fee" is a maximum not to exceed value based upon the Contractor meeting the scheduled Completion Milestones. The actual amount billed per Task Number may be more or less than indicated in the proceeding Table.

Total project fees will not exceed the estimated fee without justification from the Consultant and prior approval of the City of Rapid City.

For additional services rendered pursuant to "Exhibit C", Section 7.0, the OWNER will pay the ENGINEER on the basis of the ENGINEER's standard hourly rates.

EXHIBIT "C"

C.1 General Conditions

EXHIBIT "C"

GENERAL CONDITIONS

SECTION 1.0 - STANDARD OF CARE

- 1.1 Consultant agrees to perform the services set forth in this Agreement in accordance with generally accepted professional practices, in the same or similar localities, related to the nature of the work accomplished, at the time the services are performed. Consultant's services shall not be subject to any other express or implied warranties whatsoever.
- 1.2 Client recognizes that site characteristics and subsurface conditions may vary from those observed at locations where observations, borings, surveys, or explorations are made, and that site conditions may change with time. Client further recognizes that even with a comprehensive sampling and testing program, implemented with experienced personnel who function in accordance with a professional standard of care, there may be failure to detect certain conditions. Client will furnish to Consultant all reports, data studies, plans, specifications, documents and other information deemed necessary by Consultant for performance of the services. Consultant may rely upon Client provided documents in performing the services but Consultant assumes no responsibility or liability for the accuracy of such documents. Data, interpretations, and recommendations by Consultant will be based solely on information available to Consultant, and Consultant will not be responsible for hidden conditions or other parties' interpretations or use of the information developed.

SECTION 2.0 - SITE ACCESS AND RIGHT OF ENTRY

- 2.1 Client will grant or obtain free access to the site for all equipment and personnel necessary for Consultant to perform the work set forth in this Agreement. Client will notify and all possessors of the project site that Client has granted Consultant free access to the site. Consultant will take reasonable precautions to minimize damage to the site, but it is understood by Client that, in the normal course of work, some damage may occur but in the absence of any written damage agreement, Consultant shall not be liable or responsible for such damage. Any additional costs to facilitate site access will be charged to the Client at cost.

SECTION 3.0 - TIME

- 3.1 The Consultant will perform the professional services in a timely manner consistent with sound engineering practices.

SECTION 4.0 - DELAYS

- 4.1 It is recognized that unforeseen events or circumstances may arise causing delays beyond the control of either the Client or the Consultant. Whenever such delays occur or are about to occur, The Consultant shall immediately notify the Client. If such delays are not the fault of the Consultant and will increase his cost of performing the services required under this Agreement, the parties hereto shall enter into a written agreement describing the additional cost and the compensation therefore.

SECTION 5.0 - OWNERSHIP OF DOCUMENTS

- 5.1 Reports, drawings, specifications, field data, laboratory test data, calculations, estimates, and other materials resulting from Consultant's efforts are intended solely for purposes of this Agreement; any reuse by Client or others for purposes outside of this Agreement or any failure to follow Consultant's recommendations, without Consultant's written permission, shall be at the user's sole risk. Client will furnish such reports, data, studies, plans, specifications, documents, and other information deemed necessary by Consultant for proper performance of its services. Consultant may rely upon Client-provided documents in performing the services required under this Agreement; however, Consultant assumes no responsibility or liability for their accuracy. Client-provided documents which are prepared, as instruments of service, shall remain Consultant's property and Consultant shall retain copyrights to these materials. Consultant will retain all pertinent records relating to services performed for a period of six years following submission of a report during which period the records will be made available to Client at all reasonable times.

SECTION 6.0 - SAFETY AND WORK PROGRESS

- 6.1 The Consultant will perform professional services in accordance with custom and practice within the locality and in no instance is to be responsible for methods of performance of the work, superintendence, sequencing of construction, or safety in or about the jobsite.

SECTION 7.0 - CHANGE IN SCOPE

- 7.1 It is recognized by the parties of this Agreement that unforeseen circumstances may arise during the development and completion of the project, which will dictate changes in the scope of work, the procedures and the Consultant's fees.
- 7.2 Consultant shall identify the changed conditions which in Consultant's judgment make such modification necessary, and Consultant and Client shall promptly and in good faith enter into modification of the work scope and fees of this agreement to help permit Consultant to continue to meet Client's needs. If mutually agreed in writing by the Client and the Consultant, the Consultant shall perform or obtain the services of others to perform any additional activities deemed necessary for completion of the project. Additional Services are not included as part of the original proposal and will be paid by the Client as provided in writing through subsequent work proposals, at the established rates and fees.

SECTION 8.0 - CHANGE ORDERS

- 8.1 Whenever there occurs any change(s) affecting the scope or nature of the work and the terms and requirements of this Agreement, the Consultant shall issue a written supplemental agreement to be agreed upon by both parties hereto and become a part of this Agreement. The Supplemental Agreement shall describe the nature of and the reasons for such change and any change in compensation to be paid to the Consultant by the Client.

SECTION 9.0 - INVOICES AND PAYMENT

- 9.1 The Consultant will submit invoices to the Client monthly and/or a final bill upon completion of services. The invoices will be prepared in accordance with the applicable cost items indicated in Article I proposal(s), related attachments, and for any Additional Services provided.
- 9.2 If Client objects to all or any portion of any invoice, Client will so notify Consultant in writing within fourteen (14) calendar days of the invoice date, identify the cause of disagreement, and pay when due that portion of the invoice not in dispute. The parties will immediately make every effort to settle the disputed portion of the invoice. In the absence of written notification described above, the balance as stated on the invoice will be paid.
- 9.3 Payment is due upon presentation of the invoice and is past due forty-five (45) days from the invoice date. Invoices are delinquent if payment has not been received within forty-five (45) days from the date of invoice. Client's failure to pay Consultant within seventy five (75) days may constitute a breach of this Agreement.
- 9.4 Payment to Consultant by Client is in no instance contingent upon Client's receipt of payment from any additional party including, but not limited to, insurance companies or governmental compensation funds.

SECTION 10.0 - RISK ALLOCATION

- 10.1 The Owner and Client acknowledges that the Consultant is a corporation and agrees that any claim made by the Owner or Client arising out of any act or omission of any director, officer or employee of the Consultant in the execution or performance of this agreement, shall be made against the Consultant and not against such director, officer or employee.

SECTION 11.0 - INSURANCE

- 11.1 The Consultant represents and warrants that it and its agents, staff, and sub-consultants employed by it is and protected by worker's compensation insurance and that the Consultant has such coverage under public liability and property damage insurance policies which the Consultant deems to be adequate. The Client shall be named as additional insured on the public liability and property damage insurance. Certificates for all such policies of insurance shall be provided to the Client prior to beginning work.

SECTION 12.0 - ASSIGNS

- 12.1 Neither the Client nor the Consultant shall delegate, assign, sublet, or transfer his duties or interest in this Agreement without the written consent of the other party.

SECTION 13.0 - TERMINATION

- 13.1 This Agreement may be terminated by either party upon seven (7) days' written notice in the event of substantial failure by the other party to perform in accordance with the terms hereof. Such termination shall not be effective if that substantial failure has been remedied before expiration of the period specified in the written notice. In the event of

termination, the Consultant shall be paid for services performed to the termination notice date plus reasonable termination expenses.

- 13.2 In the event of termination, or suspension for more than three (3) months prior to completion of all drawings, specification, reports and other instruments contemplated by this Agreement, the Consultant may complete such analysis and records as are necessary to complete his files and may also complete a report on the services performed to the date of notice of termination or suspension. The expenses of termination or suspension shall include all direct costs of the Consultant in completing such analysis, records and reports.

SECTION 14.0 - FORCE MAJEURE

- 14.1 Neither party to this Agreement will be liable to the other party for delays in performing the services, nor for the direct or indirect cost resulting from such delays, that may result from labor strikes, riots, war, acts of governmental authorities, extraordinary weather conditions, or other natural catastrophe, or any other cause beyond the reasonable control or contemplation of either party.

SECTION 15.0 – SEVERABILITY AND SURVIVAL

- 15.1 Any element of this Agreement later held to violate a law shall be deemed void, and all remaining provisions shall continue in force. However, Client and Consultant will in good faith attempt to replace any invalid or unenforceable provision with one that is valid and enforceable, and which comes as close as possible to expressing the intent of the original provision. All terms and conditions of this Agreement allocating liability and defining indemnities between Client and Consultant shall survive the completion of the services hereunder and the termination of this Agreement for any cause.

SECTION 16.0 – GOVERNING LAW

- 16.1 The law of the State of South Dakota will govern the validity of the Agreement terms, their interpretation and performance.
- 16.2 This Agreement is binding upon the parties, their heirs, successors and assigns.
- 16.3 The parties have read the foregoing, understand completely the terms and conditions, and willingly enter into this Agreement.
