Dear Maggie,

I would like to request acknowledgement from the City Council for a raffle we plan to hold on February 20, 2010 . This raffle will be held during our Rapid City Heart Ball event at the Ramkota Hotel and Conference Center with all proceeds to benefit the American Heart Association.

I have included a copy of our 501c3 certificate to verify our non-profit status. Gifts and contributions used to support the Heart Ball will contribute to the life-saving work we are doing in the areas of research, professional and public education, and community service programs. These programs are all designed to help reduce disability and death due to heart attack, stroke, and other circulatory diseases.

Thank you for your consideration. Please let me know when this request has been acknowledged.
