On Saturday, March 20, 2010 Rapid City Stevens High School Baseball Club will be participating in its "4th Annual 100 Inning Baseball Game." **This is our primary fundraiser and we request permission from the City of Rapid City to conduct a raffle for a 42 inch plasma television that we will purchase from a local business. The winner will be selected during this game.**

Our baseball team is comprised of student athletes from Stevens High School although we receive no financial support from the Rapid City Area School District.

Money generated from this raffle will help offset the expenses associated with a club sport including uniforms, equipment, travel, and facility costs.

Our athletes are seeking your support and we sincerely appreciate your consideration. Please contact Mary Swanson at 390-5200 should you have questions. **We hope your approval will allow us to begin our sales on February 5, 2010.**

Rapid City has a proud, winning baseball tradition that we fully intend to uphold during this, our 4th season of high school baseball.
