My name is Michael Gerhard. I own the property on West Rapid Street, Lamperts #2 Block Lots1-3

As I can not meet the up coming meeting I would like to say I'm against the request from the people involved with the 1520 West Omaha Street.( Request number 10SE001 and 10SE002 ) This is not a good place for Farmers Market to be located. We have enough traffic problems on that part of Omaha Street. When I built my building I had to meet all the regulations in place and I feel they should too or find a NEW place.

Sincerely

Michael Gerhard
