

**AMENDED AGREEMENT BETWEEN THE CITY OF RAPID CITY
AND KENSINGTON HEIGHTS, LLC TO ALLOW FOR ACCEPTANCE
OF PUBLIC IMPROVEMENTS BEFORE THE COMPLETION OF
SIDEWALKS FOR KENSINGTON HEIGHTS SUBDIVISION, PHASE I**

This Amended Agreement is entered into on this 20 day of April, 2010, by and between the City of Rapid City, a municipal corporation, located at 300 Sixth Street, Rapid City, SD 57701, hereinafter referred to as the "City", and Kensington Heights, LLC, 1010 9th Street, Rapid City, South Dakota, 57701, hereinafter referred to as the "Developer."

WHEREAS, the Developer owns certain residential lots within Kensington Heights Subdivision, Phase I in Rapid City; and

WHEREAS, prior to approval of the final plat for Kensington Heights Subdivision, Phase I the Developer was required to post surety to guarantee the completion of various public improvements within the subdivision; and

WHEREAS, this surety includes the cost for completing sidewalks within the subdivision; and

WHEREAS, the Developer has completed all of the improvements required under the City's Subdivision Regulations with the exception of various sidewalk segments fronting non-contiguous residential lots; and

WHEREAS, the Developer has requested that it be allowed to construct the remaining sidewalks in conjunction with the construction of the homes on the individual lots; and

WHEREAS, this manner of constructing sidewalks in residential areas is consistent with current development practices and is also consistent with policies and ordinances that have been recently adopted by the City; and

WHEREAS, this subdivision was approved prior to the adoption of the new policy; and

WHEREAS, the Developer has requested that the City accept the completed improvements and start the running of the warranty period once the improvements have been officially accepted; and

WHEREAS, the parties previously entered into an agreement whereby the sidewalks were to be completed within two years of the approval of the agreement; and

WHEREAS, with the exception of some of the sidewalks, the improvements have been completed and accepted by the City, and have been placed into the warranty period; and

WHEREAS, the developer is requesting an extension of the time period in which the Developer is to complete all the sidewalks; and

WHEREAS, the City is willing to accommodate the Developer's request if it can insure that the sidewalks are completed.

NOW THEREFORE, the parties agree as follows:

1. The Developer will provide an updated estimate of the cost to construct all required sidewalks that remain to be built within the subdivision. The Developer will then provide to the City a new surety in an amount sufficient to cover the cost of installing the sidewalks as shown in the updated estimate. The surety shall be in a form acceptable to and approved by the City Attorney's Office.

2. In exchange for the Developer providing the updated estimate and a surety sufficient to cover the cost of completing the sidewalks within the subdivision, the City will refrain from drawing on the Letter of Credit currently in place. Upon the completion of a sidewalk in conjunction with the construction of a home, the City shall inspect the sidewalk. Upon the sidewalk passing final inspection, the City will issue a letter to the Developer officially accepting the sidewalk. Upon issuance of the letter of acceptance by the City, the two year warranty period will begin to run.

3. The Developer agrees that all sidewalks will be installed within two years of the approval of this agreement. If any sidewalks in Kensington Heights Subdivision, Phase I are not completed by this time the City has the right to draw on the surety and construct the sidewalk. If the amount of the surety is insufficient to fully cover the cost of constructing the sidewalks, the Developer agrees to pay to the City the difference between the amount of the surety and the actual cost of constructing the sidewalk.

4. The following lots are covered by this agreement:

Lots 8 and 9 of Block 1; and Lot 1 of Block 3, all in Kensington Heights Subdivision, Phase I.

5. The Developer acknowledges that the City's agreement to accept the public improvements for the subdivision and start the running of the warranty period prior to the completion of all of the sidewalk segments required under the City's Subdivision Regulations is sufficient consideration for the promises made herein.

6. The City may undertake any legal or equitable action available to enforce the provisions of this agreement in addition to any remedy provided herein. In the event the City is required to undertake any action to enforce the terms of this agreement or its subdivision regulations in connection with this agreement, the undersigned, heirs, assigns or successors in interest agree the City may recover from the Developer its reasonable expenses, including attorney's fees incurred with respect to such action.

7. This document represents the entire agreement of the parties. No other writing is a part of this agreement. All other prior representations, writings, oral statements or negotiations have been merged into this document and are either included herein or intentionally excluded.

8. The parties' rights and obligations under this agreement shall be governed by, and construed in accordance with, the laws of the State of South Dakota. Any dispute concerning this agreement shall be venued and litigated in the Circuit Court for the Seventh Judicial Circuit, located in Rapid City, Pennington County, South Dakota.
