Rapid City Growth
Management Department

Ms. Elkins:

We would like to formally appeal the Growth Management Department's action on the Exception Request to Section 8.2.1.1 (10EX0106). We request this appeal to allow the owner to have two ways of ingress/egress onto their commercial property. Please place our request on the next appropriate Public Works Committee Agenda and then City Council agenda.

Thank you.

Sincerely;

Hani Shafai, P.E.
President
